As seen from para 5 of the Dy. Com[rs] letter No. A-5-1794-40/30-122 of 15/12/30 Mr. Sankara Sastri has agreed to pay the said sum of Rs 100/- every year also to supervise the worship of the deity in the Temple. In the latter connection it may be stated that Mr. N. V. S Sastry being an Asst Kan. Translator will have to live in Bangalore on Govt duty. It is not known where he can supervise the worship of the deity from day to day at Vairasandra Palavillage

Again Mr. Sankara Sastri has in his Canki[n] of 12/1/1931 prayed for a reduction of the rental from Rs 100/ to Rs 60/-

For orders —

GS 17/1/31 It is stated that Rs 60/- has to be paid to the Archak and the jodi & cesses due to Govt are Rs. 26-10-0. Against this there is the statement that the Vakivadar has to spend at least Rs 1000/- initially in improving the damaged land.

10) The file will be referred unofficially to the M.C. for favor of remarks on the offer of Rs 70/- now made and if it is considered low, what other arrangements he would propose -

The marginally noted inam lands endowed to the above temple are stated to be in the possession and enjoyment of three persons viz. Mr. T.L. Shankarasastry and his brothers Chandrasekharabhatta and Neelakanta Bhatta, the first having half share and the others ¼ share each. The brothers were made responsible for the proper performance of puja in the temple having been received, it was ordered in Muzrai Superintendent's Memo No.Mv.396 dated 9th August 1913 to lease out the lands for definite periods. Mr. Sankara Sastry was however asked whether he would agree to pay Rs.9/- p.a. towards the pay of the archak and as he did not agree, the lands in question were ordered to be leased out by auction. It is seen from the Deputy Commissioner's report that no bids were secured at the sale as the lands were damaged by the floods during the year 1913-14 and that the have been lying fallow for nearly 7 years. It is reported that the Vahivatdars (the three brothers) have not taken steps to improve the lands; that the assessment on the lands from the year 1923-24

Letter No. [illegible]94-99/30-322 dated 15th December 1930 from Deputy Commissioner, Kolar District to the Inzrai Commissioner Mysore.

In forwarding herewith the vernacular correspondence ending with the Tarikere Sub Division Officer's No. 32-41-29 dated 30-9-1930 regarding the lease of the Inam lands belonging to Sree Lakshmi Narasimhaswami temple at Narasipur-Bale Village, in the Narasimharaja pura Sub Taluk, I have the honor to state that the Deputy Collector, of Narasimharajapura reports as follows:-

(1) The marginally noted inam lands of the above mentioned temple

have been in the possession and enjoyment of three persons viz. M.A. Shankarasastri and his brothers Chandrasekhara Bhatta and Neelakantha Bhatta. The 1st had a half share and the 2nd and 3rd, a share each. They were made responsible for the proper performance of the puja of the deity.

(2) As there had been complaints from the villagers in regard to the non-performance of the puja it was ordered to lease out the lands by public auction, i.e. Mr. Shankarasastri does not pay Rs.9/- a month or Rs.108/- per year towards the pay of the archak. As M.A.Shankarasastri did not agree to pay the said amount - the lands in question were ordered to be leased out for sale. Nobody came forward to take up the lands as the same have been damaged by floods during the year 1923-24. The lands are lying fallow for the past 7 years.

(4) The Vahivatdars of the temple, i.e., M.A. Shankarasastry, Chandrasekhara Bhatta, and Neelakantabhatta have not taken any pains to improve the lands in question and the assessment due thereon for the year 23-24 have been brought under remission.

(5) Mr. M.A.Shankara Sastry in his statement dated 19-5-30 given before the Sub Divisional Officer, Tarikere, states that he would pay Rs.60/- per year in addition to the jodi and cesses of the lands provided the lands are given to him on permanent lease, and that he would supervise the worship of the deity in the temple.

From enquiries made it is learnt that no body is willing to take the lands for lease for any definite period.

Sir,

I beg to submit that the Inam land attached to the Sri Pathala Narasimhaswami Temple at Narasipura, Kale Village, Krishnarajapura Sub Taluk, was proposed to be leased out to me on a rental of Rs. 100/- per annum. I consented to take up the perpetual lease on payment of the said amount. But, of late, conditions have been very much changed. Paddy is the staple crop of the locality (wet land) and that is the only crop that can be raised in the land in question. When the ~~amount~~ annual rent of Rs. 100/- was fixed, paddy was selling at the rate of Rs. 7/- to Rs. 8/- a palla. For the last one or two months the rate of paddy has gone down very much. It sells at Rs. 3/- to Rs. 3/8 a palla at Narasimharajapura. It is quite possible that it might go down still lower. If the annual rental is fixed at Rs. 100/- as it was then proposed, it would be impossible to pay this sum under the changed conditions. I do not, however, withdraw my promise to take up the lease, but, in view of the recent changed conditions and also of the heavy outlay I have to incur in order to reclaim the overflowed land and bring it under cultivation, I request that the amount of rental may be kindly reduced from Rs. 100/- to Rs. 60/-. I hope that my request will be sympathetically considered and complied with.

We utmost that is possible to pay is Rs. 70/- Seventy. H...

Sir,

I beg to submit that the Inam lands of Sri Pathala Narasimhaswamy temple at Narasipura, Bale Village, Narasimharajapura Sub Taluk, were proposed to be leased out to me on Rs.100/- per annum, and I consented to take the perpetual lease on payment of the amount proposed. This was done some six months ago when paddy, the staple crop of the locality, was selling at high rates ranging from Rs.7/- to Rs.8/- per palla. But, of late, the price has gone down more than 50 per cent in that locality. I, therefore, requested that the annual rental might be brought down to Rs.60/-. The Assistant Secretary,(Muzrai) was pleased to send for me and asked me if it was not possible to raise my offer to some extent. Then, with much difficulty, I consented to pay Rs.70/- per annum.

You are aware , Sir, of the condition in malnad where paucity of labour together with bad climatic condition is a serious handicap to agriculture. The land in question is situated in a hilly part of Malnad where hundreds of acres of arable lands are lying waste for want of occupiers.

The institution is a very ancient one, though it has the remnant of a small extent of land as inam. We look upon the temple as our family deity. The land in question has been in uninturrupted possession of our family for over 300 years or even more. The inam was granted to the temple hundreds of years ago. As a devotee of the temple I do not wish to see that the inam tenure of the land should be cancelled, and that the temple should be deprived of what little inam is remaining to it in the shape of land.

The

The temple is in good repairs, but during the heavy floods of 1923-24, the land was overflowed and seriously damaged. It requires more than Rs.1000/- to make the land fit for cultivation. In view of the heavy cost involved to repair the land and of the fall in the price of paddy the annual rent of Rs.70/- (as now revised) cannot be considered low. I request that the records connected with the case may be kindly perused and that perpetual lease of the land may be ordered to be granted to me early so that I may instruct my people to make arrangements for repairing the land.

I beg to remain,
Sir,
Your most obedient servant,
